Where can I park a coach or minibus?

If you are travelling by coach or minibus, there is a designated car park area to park in that you will be directed to by traffic marshals on arrival. If coaches are dropping off only, they will be directed to a different location to drop off students and be directed off site. They can then return to the same area for collection later in the day. You will not need to display a coach pass as there is plenty of parking for coaches.

Travelling by public transport?

By Rail:

Sheffield's main railway station is situated in the City Centre - Sheaf Street, Sheffield, S1 2BP - and is approximately a 10 minute taxi

Supertram

The Arena has its very own stop - Arena / Olympic Legacy Park. This tram stop is served by the Yellow Route and Tram Train, both of which bypass the traffic giving you a fast, smooth and reliable way to get to your event. There's no need to buy a ticket before you get on board - there is a conductor on every tram.

Bus

The Arena is served by several bus routes [click here](#) to visit the Travel South Yorkshire website. You can also view a full list of route maps for the whole region - [just click here](#).

When you arrive

 On arrival, please head up to the red concourse of Utilita Arena, or Entry B if you require accessible access. Please have your ticket ready to scan into the event

Everyone will need to have pre-registered and have downloaded their ticket before they enter the venue. If you have issues with a cracked phone screen, please bring a printed copy of your ticket to be scanned.

 Your exhibition ticket is personal to you and should not be passed on to other group members, as this could compromise the security of your data. To comply with data protection regulations, it's essential that individuals at our exhibitions use their own ticket – both on entering, and when visiting exhibitors' stands. Anyone found to be in breach of this will be asked to leave the event and register again to be readmitted.

 Please be aware, the venue will be conducting random bag and wand searches. The venue does not allow big rucksacks on-site so we advise you keep bags to a minimum or on coaches. We thank you for your patience while this takes place.
